a word from . . . CLIMATE MASTERS SELF-STORAGE

Climate Masters Self Storage is honored to be recognized as the Small Business of the Month for August 2025! This recognition is a true reflection of the relationships we've built and the support you've given us. Serving our communities with care, dedication, compassion, empathy, and heart brings us great joy. Led by our Property Manager, Margaret Walp, our small team has always believed that business goes far beyond the day-to-day; it's about showing up for your neighbors with heartfelt compassion.

From supporting events like the Saraland Chamber's Back-to-School Bash, Mistletoe Market, Built for Women conference, attending as many chamber events as possible in support of our fellow chamber members, and serving in the Women's Club of Saraland, to Margaret's hands-on work with the Saraland Lions Club. Margaret has played a pivotal role in the Lions Club's annual pancake breakfast and door prize fundraiser since 2019. She's volunteered at Camp Rap A Hope, Camp Seale Harris, Ronald McDonald's House, as well as with the Saraland High School Leos Club. We're proud to play a part in strengthening our community.

Margaret is also a faithful member of Stillwater Church, where she volunteers and supports the food pantry and the Backpack Ministry, and serves on the mission's team. Her passion for service and humanity continues through her year-round volunteer leadership in the North Mobile Bay Area with Samaritan's Purse/Operation Christmas Child.

With the support of our owners and the hard work of team members, like Jason Kelly, we're grateful to do what we love while giving back. Whether you're renting a storage unit, parking space, U-Haul truck, trailer, or shopping for moving supplies—we're here to help. We understand moving can be stressful; we promise to lighten your load. We provide exceptional customer service, a 24/7 state-of-the-art security surveillance system, and a clean, safe experience.

Thank you, Saraland and surrounding communities, for trusting us over the years. We're proud to be Alabama-owned, and will continue to be community-driven and customer-focused.

Call or email us today for all your storage and moving needs! Here at Climate Masters, we're always happy to help!
